

US1.5d

England established and attempted to maintain control over the colonies

King George III

King of England

Economic relationships

England imposed strict control over colonial trade.

England taxed the colonies after the French and Indian War.

England traded its goods for colonial raw materials.

Political relationships

Colonists had to obey English laws that were enforced by governors.

Colonial governors were appointed by the king or English proprietor.

Colonial governors monitored the laws passed by every colonial legislature.

The student will demonstrate knowledge of the factors that shaped colonial America by d) identifying the political and economic relationships between the colonies and England.
