Responsible for codifying Roman law into "Justinian's Code." This was the basis of most of the legal systems of European nations.

Justinian reconquered lands that the Roman Empire previously owned but had lost during the decline of the Empire. He doubled the size of the Byzantine Empire.

**JUSTINIAN**  
(Famous Byzantine Emperor)

Justinian was able to revive classical Greco-Roman culture.

Justinian greatly improved the wealth and power of the Byzantine Empire by expanding trade.
